femme adorée

Femme adoree is een prachtige collectie die hedendaagse trends vertaald naar sierlijke juwelen. Ze creëert juwelen voor sterke vrouwen die bewondering en liefde oogsten voor wie ze zijn, wat ze doen en omdat ze stralen. De perfecties en imperfecties van het natuurlandschap vormen de basis van deze jonge collectie waarin mat goud 18kt, blinkend goud 18kt, diamant en half edelstenen perfect gecombineerd worden.

Femme adoree est une belle collection qui traduit les tendances contemporaines en bijoux élégants. Elle crée des bijoux pour les femmes fortes qui sont admirées et aimées pour ce qu'elles sont, ce qu'elles font et parce qu'elles brillent. Les perfections et les imperfections du paysage naturel constituent la base de cette jeune collection dans laquelle l'or 18kt mat/brossé, l'or 18kt brillant, les diamants et les pierres semi-précieuses sont parfaitement combinés.

EVERY CANVAS
is a journey all its own

We get a brand new start each and every day. Take a chance. Choose to paint each day in bright and beautiful colours to always make the best of it!

YOU ARE THE ARTIST
and the art itself

I thought becoming myself was improving each part, piece by piece. But it was finding a hidden wholeness seeing the fractures as the design.

ALWAYS ASPIRE
to inspire each day again

To me, the whole process of being a brush stroke in someone else's painting is a little difficult, yet so inspiring at the same time. Each brush strokes defines a different dimension.

BEAUTY IS MOSTLY
in the imperfections

Our collection is inspired by the beauty of a painting. In its rawness there is purity, elegance and sophistication. The imperfections make it intense, powerful, but above all unique.

I'M A BELIEVER THAT
colour affects people's moods

Simply colour, unspoiled by meaning, and not connected with definite form, can speak to the soul in a thousand different ways. Always choose colour.

GOLD & DIAMOND

a match made in heaven

We carefully select our designs, and the way they are embellished. The division between gold & diamond has to be precise to keep the right balance.

GORGEOUS GEMSTONES

their colours speak so loudly

Diamonds symbolize true love, but the power of a gemstone is often so much more refined. From ancient times to today, gems of every colour have been imbued with significance and special strenghts.

raw and everlasting joy

It's funny how the expression says "feeling blue", yet a blue topaz is known to bring pure joy, generosity, empathy, love and prosperity.
